

2021 W MI MC NETWORK GOALS...
How did we do?

- 1. Add 3 additional churches or church plants to our roster.** (The GRs Church Plant is being restarted with Benjamin and Julisa; YoSoy has appointed Frank as the leader of the Sturgis Church Plant; Two additional churches signed up for the W MI Church Planting Challenge to aggressively and prayerfully plant at least one new church out of their church in the next 5 years. The Network and Region are willing to help your church fulfill this challenge.)

- 2. Keep Hispanic Church Planting Training Center Going.**
(Martin Roman is directing this and have had their first graduation with 13 graduates. They are continuing their classes.)

- 3. Establish the Church Leadership Academy** - Practical training classes on subjects of interest to the local church. Training of pastors and church leaders on a whole variety of church related subjects via Zoom.
(We hosted one meeting on Dreaming Big with Dr. Chenoweth but suspended this program to focus on ECPI." Many of the ECPI classes were good for all church leaders.
